Our Service Men fighting in Countries around the World.

An end to abortion.

Grand Knight's Report

by J R White, Grand Knight Council 7640

I hope that you are in favor of World Peace. You will have a very unique opportunity to pray and ask for our Blessed Virgin Mary's support on a plea. A plea that she has asked us to make numerous times through her various visions spread through out the world.

We as Knights want to turn football stadiums into houses of prayer, then make fathers into leaders of prayers. A project, the Knights agreed to support at the State Convention.

There is a project coming up this October in which the Knights are becoming involved - it is the Global Living Rosary scheduled for Invesco Mile High Stadium! Father Payton is involved with this project that is not only involving Mile High but a lot of other football stadiums as well. Just think of the possibilities the Knights can play in this project, if we could turn all those football stadiums into a shining and guiding light, not only in the US, but Canada as well. What a show of piety and support we can give our Blessed Lady on behalf of her Knights, if we can pull together and get the people as well as our brother Knights out to pray the rosary as a body by filling those stadiums to an overflowing capacity.

The Knights of Columbus have been given an opportunity to lend Mary, the Lady of All Nations, a hand. As our Queen, the Knights need to get down and show our support by helping her keep the Father's, Ababa, hand at bay; while showing Him that our World is really worth saving, and with Blessed Mary, the Virgin Mother of His Son, we really want to make a difference and Respect Life from not only birth but to the grave.

The Knights are in a very unique position to help lead this fight for World Peace. - To those that are given so much, a tremendous amount is expected!

Go to www.GlobalLivingRosary.com on the Internet to register, and be prepared to stand up and pray Mary's Rosary this coming October, making these stadiums her house if only for the one night. This Living Rosary is being sponsored in recognition with the Tenth Anniversary of World Youth Day held in Denver.

I want to personally thank the Council for the support given me this past year. I hope that you will give your new Grand Knight even more support. We have Brother Knights that need to become more involved with our projects, they no longer need to sit on the sidelines. What is it, or what projects would you like us to attempt, that will get you involved more actively with your Council. Please get in touch with your new Grand Knight; even the Trustees or me by letting us know your feelings and interest.

Denver Metro District Meeting

Christ on the Mountain Council 7640 is scheduled to host the June meeting of the Denver Metro District. I believe the meeting will be preceded by the rosary and will begin at 7:30 PM June 21st at the Church facilities. If any of you are interested in seeing what happens at a higher level in the

Religious Appreciation Dinner

by Bill Longan, MN reporter

There have been two or four planning meetings held over the last few months, to lay the ground work for a dinner to be held in November or October celebrating our appreciation for the religious members of our South West Metro Region. Such an event was held last January and was well attended. However, some believe the event would be better received later in the year since, January conflicts with the Denver Metro Region Dinner. J.R. White is the chairman of this project and needs our help and participation to get the event going. Thirteen Councils are involved in the planning and execution of the plans.

Knights Call Review

by Bill Longan MN Editor

The April issue is available as of June 1, 2004 on the State web site (www.kofc-colorado.org). I have no idea when this site is updated however, the previous times I have check have shown a month or two behind the current month. I didn't see any thing of current importance in which we may be able to participate.

The State Web Site congratulated the incumbent State Officers on their re-elections for another term. I suppose our Council should do so as well.

LIFE PASS IT ON

Join the Fight Against Abortion

Please accept an invitation to pray the rosary outside an abortion clinic at 20th Avenue and Vine Street in Denver. Join us with friends and family. We will join the group of about 30 Catholics. Then we pray the rosary, walking slowly on the sidewalk around the abortion clinic in a column, two by two. If anybody is interested in joining me on the third Saturday of the month, please email me at: enricovr@hotmail.com or call me at home (303-716-0859). Thanks and God Bless, *Enrico Contolini*

We still need one of the Knights to assume the responsibility for this effort. Please contact the Grand Knight or Deputy Grand Knight to volunteer.

Knights of Columbus Insurance

from Charles Bralish, Insurance Agent

WE ALL WANT THE SAME THING

Most men worry about their families. If you are like most, there are so many demands on your current income that you find it difficult to set anything aside for the kind of future you'd like to provide. If you are like most fathers, you probably want the same things:

- ...the respect of your family, your friends and the community in which you live
- ...a happy home with a family that is content
- ...a good house that will always be home
- ...the ability to help your children with their education
- ...enough money to make your retirement easier
- ...and enough money to be able to enjoy some of the better things in life.

With good fortune (and a long life), you'll probably be able to accomplish most of these objectives. But if you're like most people, you'd benefit from a plan to help you realize them.

Saint Monica Sodality

by Bill Longan MN editor

Those who cannot personally attend the Wednesday evening devotions at St. John's Catholic Church in Chicago can become members of the St. Monica Sodality, as so many around the country have already done. They can join in prayer with their private recitation of the novena and Rosary every Wednesday evening wherever they may be. **To become a Sodality member send \$10.00 to: St. Monica Sodality, 825 North Carpenter Street, Chicago, Illinois 60622.**

Brother Knights, I've joined the Sodality and I hope others of you would also want to participate. Encourage others in your family, friends and neighborhood to join as well. Perhaps in the future when a sufficient number are active in the sodality we can have our own Wednesday evening service. If you have a fallen away son, daughter or other relative and want more information on the Sodality call me (303) 986-2542.

7640 Club

by Bill Longan, MN Reporter

One of our newest members of the Council asked me about the 7640 Club. Apparently new members are not made aware of their participation in this organization. We are remiss in our obligation to make it clear to the new Knights just what their role is in the 7640 Club. I'm sure the new members have been given the Council By-Laws etc. why not acquaint them with the 7640 Club.

Wine and Cheese Tasting Party

by Ken Krug, Deputy Grand Knight

The Council is determined to have a Wine and Cheese Tasting Party to be held at (????????????????) in the Parish Hall. Parishioners are to be invited to this event as well as Knights families. This should be an afternoon of some wine, cheese and friendship at no cost to you - unless you like the wine and purchase a bottle or two.

We wine and cheese aficionados are awaiting word on this auspicious event with great anticipation. Get on the ball guys!

Name Tags and Vests

by Bill Longan ,MN Reporter

Vests were made in the early days of the council by one or more of the Bros. wives. If Experienced Vests are available from those Knights who may not be very active at the present time, would you consider giving them to the Council for use by other Knights? Wearing a Vest at the functions the Council sponsors is an excellent form a advertisement that doesn't deplete the treasury.

Thank you Mike Delp for doing the News letter Last month. I would have had a hard time getting the job done after having cataracts remove from both eyes last month. Bill Longan, Mountain News editor.
